| WISHA is proposing to rewrite and clarify requirements relating to the asbestos standard. This rulemaking is part of our long-term goal to rewrite our general occupational safety and health rules. This proposal will move all asbestos requirements from chapter 296-62 WAC, General Occupational Health Standards, and chapter 296-65, Asbestos Removal and Encapsulation, and place them in two new chapters. |                   |                       |
